Deaf Community Counseling Services

OUR MISSION

Deaf Community Counseling Services (DCCS) is a culturally, linguistically mental health program that is dedicated to empowering Deaf, Hard of Hearing, Deaf-Blind, and Late-Deafened members to lead a self-sufficient live and overcome challenges through an integrated approach that centers their overall well-being.

DCCS supports and educates the community about the importance of healing through a comprehension lens, focusing on their cognitive, emotional, and behavioral health.

A PROGRAM OF FELTON INSTITUTE

ABOUT

Felton Institute’s Deaf Community Counseling Services (DCCS) has been developing gateway of network in surrounding counties, including primary care providers and schools as we are committed to continuing the mission of providing quality and innovative comprehensive care within the Deaf and Hard of Hearing community.

Our team is composed of Clinical Case Managers and licensed Therapists (MFTs, LCSWs, & LPCCs) and Case Managers who are fluent in American Sign Language. DCCS works with children, adolescents, adults, and senior citizens.

OUR SERVICES

- Comprehensive Assessment
- Clinical Case Management
- Drop-in Case Center
- Crisis Intervention
- Individual, Group, Family, and Couple Therapy
- Individual and Group Rehabilitation Counseling
- Psychiatric Services
- Domestic Violence Counseling
- Educationally-related Mental Health Services (ERMHS)
- Consultation & Education, Trainings, Workshops, and Advocacy
- Community placement assistance
- Care Coordination

HISTORY

Felton Institute’s Deaf Community Counseling Services (formally known as the UCSF Center on Deafness) has served the community for over 45 years.

In July 2015, DCCS partnered with Felton Institute (formerly known as the Family Service Agency of San Francisco).

In partnership with the City and County of San Francisco, the Department of Public Health (DPH) and Community Behavioral Health Services (CBHS), DCCS is dedicated to serving Deaf and Hard-of-Hearing clients in San Francisco and Alameda Counties.
