

Vallejo Integrated Health Resource Team (IHART)

About IHART

The Integrated Health Resource Team (IHART) is a mobile community resource team serving the city of Vallejo. The team provides services to those experiencing a mental and behavioral health crisis. The dedicated team is comprised of non-police personnel who conduct welfare checks, screenings, and assessments. They provide proactive, culturally responsive engagement to link residents to resources based on their specific and urgent mental and behavioral health needs.

Our Services

Our team is comprised of non-police personnel who conduct welfare checks, screenings, and assessments. IHART responds to and delivers services related to mental health, substance abuse, and homelessness.

Who We Serve

We serve at-risk and underserved community members in the city of Vallejo.

Program Components

- ✓ IHART operates a mobile community resource team 12 hours a day, 7 days a week, 365 days a year.
- ✓ Provides system navigation.
- ✓ Facilitates peer and family support groups.
- ✓ Train, inform, and assist clients and family members in developing skills to enable them to care for and advocate effectively for those seeking services.
